

**PIEDMONT YOGA STUDIO  
ADVANCED TRAINING PROGRAM**

**FACULTY MEMBER'S APPROVAL**

Before we can accept you into the Advanced Training Program, you must attend at least one class (and preferably more) with a member of the PYS Advanced Training Program faculty. If this is your first class with the teacher, be sure to introduce yourself to him/her before class begins, and tell him/her that you're there for training evaluation. Give this form to the teacher after class for his/her approval. For faculty members' schedule at PYS, go to our website (and see the website listed after the faculty member's name for a schedule of any of his/her classes not taught at PYS). If you live outside of the Bay Area, please give us the name of the teacher you are studying with and a phone number where they can be contacted.
